

NOTICE TO PROPERTY OWNERS ON MAIN STREET
VILLAGE OF SURING /// December 12, 2017

It has been, and will continue to be, the policy of Suring's Public Works Department to use our loader with the rubber blade to remove the "initial" snow accumulation from the sidewalks along Main Street. This is done to make our plowing efforts most efficient in getting the curbs/parking lane cleared to keep your business/property accessible.

However, it is still the responsibility of all property owners to keep the sidewalks on and around your property free of snow and ice accumulation.

We have included a copy of the village ordinance below regarding Snow and Ice Removal for your reference.

SURING VILLAGE BOARD

Sec. 6-2-7 Snow and Ice Removal.

- (a) **Removal From Sidewalks.** Within twenty-four (24) hours after the cessation of any fall of sleet or snow, it shall be the duty of the owners and/or the occupants of any lot or parcel of land in the Village of Suring to remove, or cause to be removed, the snow or sleet from any and all sidewalks adjacent to the premises of such owner or occupant, and to keep the same free and clear of snow and ice for the full width of the sidewalk.
- (b) **Failure to Remove.** In case of failure or neglect of any owner or occupant of any land or parcel of land to remove the snow or sleet (ice) from sidewalks as specified in Subsection (a) within the time set forth in said Subsection and, after twenty-four (24) hours after the cessation of any fall of snow, the owner or occupant has failed to remove such snow from sidewalks as specified in Subsection (a), the Director of Public Works shall remove or cause the snow or sleet (ice) to be removed from any and all sidewalks and cross-sidewalks that may be so neglected by the owner or occupant, and a fee established by the Village Board shall be assessed against the owner or occupant for the cost and expense of moving such snow or sleet (ice). In the event a property owner has not paid all bills relating to ice or snow removal by the time that real estate taxes and other special charges are levied, the Clerk-Treasurer shall enter in the tax roll as a special tax against the real estate involved the total unpaid charges for ice and snow removal for the previous year. The ice and snow removal charges shall be collected in all respects like other taxes upon real estate and interest shall accrue thereon in like manner.
- (c) **Snow and Ice Not to Encroach.** No person shall push, shove or in any way deposit any snow or ice onto any public streets, alley, sidewalk or public lands dedicated to public use except for parcels or lots located where existing buildings are constructed within five (5) feet of the street right-of-way and the sidewalks exist from the Village right-of-way to the curb line. In such instances, the owners, occupants and/or employees of parcels or lots shall be permitted to deposit snow and ice from their sidewalks onto the public streets. Failure to remove snow and ice within twenty-four (24) hours shall also constitute a public nuisance and subject responsible persons to the penalties applicable for violation of Village public nuisance ordinances.
- (d) **Enforcement.** All sworn police officers and other designated Village officials and employees are hereby authorized and directed to enforce the provisions of this Section.
- (e) **Continued Violations.** Each twenty-four (24) hour period where a violation occurs shall constitute a separate offense under this Section for enforcement purposes. Repeated violations or subsequent additional accumulations of snow and/or ice shall not nullify any pending notice issued under this Section. Failure to remove snow and ice within twenty-four (24) hours shall also constitute a public nuisance and subject responsible persons to the penalties applicable for violation of Village public nuisance ordinances.
- (f) **Abatement After Notice.** Failure of the owner, occupant or person in charge of any parcel or lot to cause the removal of snow and/or ice within the time established under Subsection (a) shall result in a citation being issued to violators and/or the Village causing the removal of said snow and/or ice and billing the cost thereof pursuant to Subsection (g) below.
- (g) **Expense.** An account of the expenses incurred by the Village to abate the snow and/or ice hazard shall be kept and such expenses shall be charged to and paid by the parcel or lot owner. Said expenses shall be not less than Thirty Dollars (\$30.00). Notice of the bill for the removal of snow and/or ice shall be mailed to the last-known address of the owner of the parcel or lot and shall be payable within ten (10) calendar days from the receipt thereof. Within thirty (30) days after such costs and expenses are incurred and remain unpaid, the Clerk-Treasurer shall enter those charges onto the tax roll as a special tax as provided by Sec. 66.0627, Wis. Stats.
- (h) **Penalty.** In addition to the provisions set forth in this Section, any person, firm or corporation which violates the provisions of this Section shall be subject to a penalty as provided in Section 1-1-6 of this Code of Ordinances.
