

## **Request for Proposal**

### **Professional Services – Engineering**

**Village of Suring, Water Utility, is seeking an engineering firm to prepare a bid document for the cleaning, repair and painting of its water tower. Engineering firm will work with village staff in reviewing the latest tower inspection report and base the bid specifications on the findings in said report. Engineering firm will also assist in the award process of the project. Project to be bid out in the late fall, early winter for completion in late spring, early summer of 2020.**

**Submit proposal to: Village of Suring, Water Utility  
604 E. Main Street / P.O. Box 31  
Suring, WI 54174**

**Deadline: August 13, 2019, at 4:00 PM Review and action to take place at Village Board meeting on 8/13/19. Additional questions can be directed to Clerk-Treasurer 920-842-2333.**
