downtown strategies

The **Village of Suring** has partnered with **Downtown Strategies** to develop a **Five-Year Action Plan** for Downtown Suring.

Instead of brainstorming everything we *could* do, their bite-sized plan will identify practical small-scale strategies for what we *should* do to see immediate impact.

**Be part of the process!**

Join us for a stakeholder input session to collaboratively share ideas, goals, concerns, and challenges to help formulate the **Five-Year Action Plan**.
